

# NEED HOME MEDICAL SUPPLIES AND EQUIPMENT?

Walgreens Medical Supply makes it easy and takes the guesswork out of billing.

## Here's how it works:

Call WMS at **1-888-410-5779** or consult your local Walgreens pharmacist who'll call for you.

Tell the operator which medical supplies or equipment you need and they'll do the legwork with your insurance.

Pick up your items at your local Walgreens or have them shipped discreetly to your home.

## Our comprehensive product selection includes\*:

- Ambulatory aids (canes, walkers, etc.)
- Commodes and bath safety products

## Products and supplies for:

- Diabetes
- Incontinence
- Nebulizer
- Ostomy
- Urological
- Wound care and much more

## Convenient ordering, billing and delivery options

- Free, discreet shipping
- Pick up in store—usually within 24 hours
- Billing is handled by our reimbursement experts
- Consult a pharmacy staff member or call our specialized customer support line Mon.-Fri., 8 a.m. to 6 p.m., CST
